Call for Papers – *THE ECONOMICS OF OIL*

The Center for Growth and Economic Development Studies (*FGV Growth & Development Center*), of Fundação Getúlio Vargas (FGV) – the main Latin American think tank – is organizing a conference on the economics of oil and energy. The conference is co-sponsored by the Centre for Applied Macro and Petroleum Economics (*CAMP*), of the BI Norwegian Business School – a leading research center on macroeconomics with special focus on petroleum and energy economics.

Where and When: The event will take place at FGV, in Rio de Janeiro, Brazil, from **February 28th, 2018** through **March 2, 2018**.

Format: On **February 28th** there will be invited presentations of market participants, market analysts, practitioners, regulators and academics, etc. On **March 1st and 2nd**, the academic portion of the conference will take place. Participants of the academic portion of the conference are welcome to attend the business and policy event.

Submission of papers: We accept the submission of papers for the academic portion of the conference until **December, 31st, 2017**. Submissions must be in PDF format. Send email to joao.issler@gmail.com. Decisions will be made by **January, 15th, 2018**.
