Integrating SDGs into Corporate Law

Professor Beate Sjåfjell, University of Oslo

Green Economics, 30 May 2018

Twitter @UniOsloSMART #SMARTproject
SMART analyses the regulatory complexity within which European market actors operate. With a focus especially on global value chains of products sold in Europe, the aim is to find out what prevents and what promotes a shift towards sustainability, and through that contribute to greater Policy Coherence for Development.

SMART is funded by the European Union
