#### About

The Nordic Logistics Research Network (NOFOMA) is a network of researchers within the field of Logistics and Supply Chain Management.

Originating within the Nordic countries, the NOFOMA conference has developed into a unique meeting place for Logistics and Supply Chain Management researchers from all over the world.

In addition to the main conference, NOFOMA is also the NORDLOG doctoral symposium, the Educator's Day, and the Conference Proceedings

**The NORDLOG** doctoral symposium on June 12 is an inspirational full day for PhD students to share experiences and learn from senior researchers. We place strong emphasis on facilitating for networking with future colleagues

**The Educator's Day** is a meeting place for lecturers within logistics and SCM.
